

# Autumn In Alpine County

Where To See Northern California's Best Fall Colors!

## 1. Hope Valley

Enjoy magnificent groves of Quaking Aspen surrounding this beautiful meadowed alpine valley, named by the Mormon Battalion in 1848. Try side trips to Blue Lakes and Burnside Lake.

## 2. Woodfords Canyon

Follow the tumbling Carson River's West Fork from Hope Valley to the historic community of Woodfords and enjoy impressive stands of Cottonwood and Aspen trees.

## 3. Monitor Pass

Dense groves of Aspen are found along this scenic highway, as well as fine examples of gnarled Sierra Juniper and stunning scenic vistas of the Sierra Nevada and Nevada's Great Basin desert.

## 4. East Fork Carson River

Explore the winding Carson River East Fork with an abundance of red and yellow foliage. Take a great side trip to Wolf Creek Meadows.

## 5. Ebbett's Pass

Colorful Aspen and Juniper trees contrast nicely against the volcanic rocks of Ebbett's Pass Country. Many beautiful scenic pullouts are found along this dramatic highway.

## 6. Hermit Valley

Aspen groves are found all along Highway 4 west of Ebbett's Pass. A side trip to Highland Lakes offers alpine lakes and scenic views.

## 7. Bear Valley/Lake Alpine

Great Fall foliage is found in and around Bear Valley and near serene Lake Alpine. Many great day hikes are nearby.
